Keep the Maryland Guard Home

The Congressional 2002 Authorization for the Use of Military Force (AUMF) is the basis for sending the National Guard to Iraq. However, the 2002 AUMF's justification for the occupation is no longer relevant, and the Guard's deployment to Iraq is illegal.

We call on Maryland Senators and Delegates to pass legislation requiring Governor O'Malley to refuse deployment of the Mary-land National Guard to Iraq under the 2002 AUMF.
